

NUFARM LIMITED – CORPORATE FACT SHEET

ABOUT US:

Nufarm is a global crop protection and seed technologies company that helps farmers and businesses meet the global challenges of food, feed, fibre and sustainable fuel production. Nufarm brings its proven agility, innovation capabilities and partnerships to help its customers in a rapidly changing world. Established over 100 years ago, it is listed on the Australian Securities Exchange (ASX:NUF) with its head office in Melbourne, Australia.

Nufarm's 3000+ team, deep agricultural science expertise, and dynamic culture across nearly 50 countries mean that we can manoeuvre quickly into areas where technologies and opportunities converge, adding real value for people and the planet. Nufarm uses its capabilities, agility, cross-industry innovation and partnership, and deep-rooted experience in agricultural science to create valuable solutions for new and existing customers.

Nufarm at a glance

Nufarm has solid foundations and significant growth aspirations

OUR LEADERSHIP TEAM:

Nufarm has a strong leadership team with combined experience of more than 300 years in commercialising agricultural solutions in a fast-evolving market. Deep experience in developing and commercialising new and existing technologies and building extensive partner network and deep understanding of what customers want – today and tomorrow.
