

# Enforcer® M

Best alternative for the dark brown and black soil zones in cereal crops targeting weeds like volunteer canola, hemp-nettle, kochia and chickweed.

## REGISTERED CROPS

- Barley
- Canary seed
- Oats
- Wheat (spring, durum, winter)

## WEEDS CONTROLLED

### 0.25 L/ac. rate:

- Kochia (up to 5 cm tall)
- Lamb's-quarters
- Wild buckwheat (suppression)
- Wild mustard

### 0.5 L/ac. rate:

Weeds listed above plus:

- |  |   |   |
|--|---|---|
| • Bluebur                                  | • Hemp-nettle                                     | • Stork's-bill (suppression)            |
| • Canada thistle (top growth control only) | • Lady's-thumb                                    | • Tartary buckwheat                     |
| • Chickweed                                | • Night-flowering catchfly                        | • Triazine-resistant pigweed            |
| • Cleavers (up to 6 whorls)                | • Pale smartweed                                  | • Volunteer canola                      |
| • Cocklebur                                | • Perennial sow thistle (top growth control only) | • Volunteer flax                        |
| • Common buckwheat                         | • Redroot pigweed (suppression)                   | • Volunteer sunflower                   |
| • Common groundsel                         | • Russian thistle                                 | • Wild buckwheat                        |
| • Cow cockle                               | • Scentless chamomile                             | • Wild mustard (also ball and wormseed) |
| • Flixweed                                 | • Shepherd's-purse                                |   |
| • Green smartweed                          | • Stinkweed                                       |   |

## BENEFITS

- **MANAGE TIME** with a wide window of application
- **TANK-MIX FLEXIBILITY** and compatibility with most grass herbicides
- Controls glyphosate-resistant and most Group 2-resistant weeds
- All-in-one formulation for ease and speed of use

## TANK-MIX PARTNERS
