HAZARD CLASSIFICATION: 6.1D, 6.4A, 6.9B, 9.1B
This product must not be used for any purpose, or in any manner, contrary to this label unless authorised under appropriate legislation.

TOXICITY: Harmful – may be harmful if swallowed, inhaled or absorbed through the skin. May cause eye irritation. May cause organ damage from repeated oral exposure at high doses.

ECOTOXIC: Toxic to aquatic organism with long lasting effects. Avoid contamination of any water supply with product or empty container.

HANDLING PRECAUTIONS:

STORAGE: Store in original container tightly closed and in a dry, cool area away from foodstuffs. Stores containing 1000 litres require secondary containment and signage and more than 1000 litres require emergency response plans.

PERSONAL PROTECTION: Avoid skin and eye contact and inhalation of spray mist. When using wear protective clothing such as goggles or face shield, impervious gloves, overalls and boots. Remove protective clothing and wash hands and face thoroughly before meals and after work.

EQUIPMENT: Apply using well maintained and accurately calibrated equipment.

DISPOSAL: Triple rinse empty container and add rinsate to the spray tank. Recycle empty container. Otherwise crush and bury in a suitable landfill. Dispose of product only by using according to the label.

First Aid: If swallowed do NOT induce vomiting. For advice contact the National Poisons Centre 0800 POISON (0800 764 766) or a doctor immediately. If medical advice is needed: Have product container or label at hand. If skin or eye contact occurs remove contaminated clothing and flush skin or eyes with running water.

Spillage: Wear appropriate protective clothing and prevent material from entering waterways. Absorb spills with inert material. Dispose of waste safely.

Transport: Do not carry SuperSil on a passenger service vehicle.

Mixing: Add SuperSil when the tank is 7/8 full to reduce foaming.

For improving the performance of other brushweed herbicides	100 ml
---	--------

Rainfree Period - the addition of SuperSil to Roundup and WeedMaster will reduce the rainfree period to 30 minutes when label recommended rates are sprayed onto dry foliage. The rainfree period is not reduced when wet plants are treated.

CONDITIONS OF SALE:

CAUTION: READ THIS NOTICE BEFORE OPENING THE CONTAINER

If you open this container you will be deemed to have accepted the conditions below.

The results from use of this product may be affected by factors beyond Nufarm's control, including mixing, use, climatic conditions, time of application, crop or crop stage and the possible development of resistance to the active ingredient, even though the product is reasonably fit for the purposes stated in this label and even though label directions are followed. Nufarm will replace, free of charge, any product which is found to have a manufacturing defect. To the extent permitted by law, all other warranties, guarantees, representations and conditions, whether expressed or implied by law, trade, custom or otherwise are expressly excluded.

When you use this product, you agree that neither Nufarm Limited nor any manufacturer of any component of the product will be liable for any damage, injury or loss including consequential loss which arises in any way from the storage, handling, or use of the product. This exclusion of liability includes loss caused by negligent acts or omissions of Nufarm Limited or any supplier or manufacturer of the product or any of their employees and agents.

Approved pursuant to the HSNO Act 1996, Approval Code HSR002503.
