### CONDITIONS OF SALE:

#### CAUTION: READ THIS NOTICE BEFORE OPENING THE CONTAINER

If you open this container you will be deemed to have accepted the conditions below.

The results from use of this product may be affected by factors beyond Nufarm's control, including mixing, use, climatic conditions, time of application, crop and crop stage and the possible development of resistance to the active ingredient, even though the product is reasonably fit for the purposes stated in this label, and even though label directions are followed. Nufarm will replace, free of charge, any product which is found to have a manufacturing defect. To the extent permitted by law, all other warranties, guarantees, representations and conditions, whether expressed or implied by law, trade, custom or otherwise are expressly excluded.

When you use this product, you agree that neither Nufarm Limited nor any manufacturer of any component of the product will be liable for any damage, injury or loss including consequential loss which arises in any way from the storage, handling, or use of the product. This exclusion of liability includes loss caused by negligent acts or omissions of Nufarm Limited or any supplier or manufacturer of the product or any of their employees and agents.

## FOAM WRECKER

### HAZARD CLASSIFICATION

6.3B, 6.4A, 6.8B

This product must not be used for any purpose, or in any manner, contrary to this label unless authorised under appropriate legislation.

### TOXICITY

• Warning – Causes mild skin irritation and serious eye irritation. Suspected of damaging fertility or the unborn child.

### HANDLING PRECAUTIONS

Do not handle until all safety precautions have been read and understood.

### STORAGE

- Store locked up and in original container tightly closed and in a locked, dry, cool area away from foodstuffs, seeds and fertilizers. Storage must be in accordance with NZS 8409 Management of Agrichemicals.
- Store between 2-26°C

### PERSONAL PROTECTION

• Avoid skin or eye contact. When handling wear eye protection, waterproof gloves, boots, hat and overalls. Do not eat, drink or smoke while using. Remove protective clothing and wash hands and face thoroughly after handling.

### EQUIPMENT

• Apply with well-maintained and calibrated equipment.

### DISPOSAL

- Triple rinse empty container and add rinsate to spray tank. Recycle empty container, otherwise crush and bury in a suitable landfill.
- Dispose of product only by using according to the label, or at an appropriate landfill.

**FIRST AID:** If medical advice is needed, have the product container or label at hand. If exposed or concerned get medical attention. For advice contact the National Poisons Centre 0800 POISON (0800 764 766) or a doctor immediately. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do. Continue rinsing. If eye irritation persists or if skin irritation occurs: Get medical attention.

**Spillage:** Wear appropriate protective clothing and prevent material from entering waterways. Contain liquid spills and absorb with inert material. Dispose of waste safely in an approved landfill.

### Transport:

Do not carry this product on a passenger service vehicle.

### General Information:

Foam Wrecker is an anti-foam product designed to control foam in agricultural chemical spray mixtures. It will provide fast de-foaming and give long term foam control. Use of Foam Wrecker will improve filling time when mixing pesticides and help minimise mess reducing user exposure to the spray mix.

### Directions for Use:

Shake before use. Use 1-5ml of Foam Wrecker per 100L spray mix. Foam Wrecker can be added prior to the formation of foam or to control existing foam. For best results, add when the tank is being filled and before the addition of agricultural chemicals. Maintain agitation while mixing and spraying.

Approved pursuant to the HSNO Act 1996, Approval Code HSR002503  
See www.epa.govt.nz for approval controls.
