FOAM MARKER

HAZARD CLASSIFICATION:

6.3A, 6.4A, 6.5B, 6.9B, 9.1D

This product must not be used for any purpose, or in any manner, contrary to this label unless authorised under appropriate legislation.

TOXICITY

- Warning – causes serious eye irritation and skin irritation and may cause an allergic skin reaction. May cause damage to organs through prolonged or repeated exposure.

ECOTOXIC

- May cause long lasting harmful effects to aquatic life. Take all reasonable steps to ensure that the substance does not cause any significant adverse effects to the environment beyond the application area. Do not apply directly onto or into water.

HANDLING PRECAUTIONS

- Store in original container, tightly closed and in a locked, dry, cool area away from foodstuffs, seeds and fertilizers. Storage must be in accordance with NZS 8409 Management of Agrichemicals.

PERSONAL PROTECTION

- Avoid skin or eye contact. When handling wear eye and face protection, waterproof gloves, boots, hat and overalls. Do not breathe vapours or spray. Do not eat, drink or smoke while using. Remove protective clothing and wash hands and face thoroughly after handling. Take off contaminated clothing and wash before re-use. Contaminated clothing should not be allowed out of the workplace.

EQUIPMENT

- Apply with well-maintained and calibrated equipment.

DISPOSAL

- Triple rinse empty container and add rinsate to spray tank. Recycle empty container, otherwise crush and bury in a suitable landfill.
- Dispose of product only by using according to the label, or at an appropriate landfill.

First Aid: If medical advice is needed, have the product container or label at hand. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. IF ON SKIN: Wash with plenty of water. If eye irritation persists, or skin irritation or rash occurs: Get medical attention. Get medical advice/attention if you feel unwell. If exposed or concerned call the National Poisons Centre 0800 POISON (0800 764 766) or a doctor immediately.

Spillage: Wear appropriate protective clothing and prevent material from entering waterways. Contain liquid spills and absorb with inert material. Dispose of waste safely in an approved landfill.

General Information:

Foam Marker is a concentrated foam liquid for use through foam generating devices to identify spray swath width.

Mixing Instructions:

Fill tank with 1/3 required water volume, add the Foam Marker and then add the remainder of the water to ensure through mixing. Use either clean rainwater or water less than 200ppm hardness. If required, a dye can be added to improve visibility of the sprayed area.

DIRECTIONS FOR USE:

SITUATION	RATE	NOTES
Pastures, crops and direct drilling	1L in 50-100L water	Use this rate for boom spray foam marking in foam generators. Foam should last approximately 2 hours on ground in good weather conditions. However, life span will be affected by hot, dry conditions.
	1L in 25-50L water	Use this rate if weather conditions are very hot (above 35°C) or dry

Approved pursuant to the HSN0 Act 1996, Approval Code HSR0002503
See www.epa.govt.nz for approval controls.

CONDITIONS OF SALE:**CAUTION: READ THIS NOTICE BEFORE OPENING THE CONTAINER**

If you open this container you will be deemed to have accepted the conditions below.

The results from use of this product may be affected by factors beyond Nufarm's control, including mixing, use, climatic conditions, time of application, crop and crop stage and the possible development of resistance to the active ingredient, even though the product is reasonably fit for the purposes stated in this label, and even though label directions are followed. Nufarm will replace, free of charge, any product which is found to have a manufacturing defect. To the extent permitted by law, all other warranties, guarantees, representations and conditions, whether expressed or implied by law, trade, custom or otherwise are expressly excluded. When you use this product, you agree that neither Nufarm Limited nor any manufacturer of any component of the product will be liable for any damage, injury or loss including consequential loss which arises in any way from the storage, handling, or use of the product. This exclusion of liability includes loss caused by negligent acts or omissions of Nufarm Limited or any supplier or manufacturer of the product or any of their employees and agents.
