

CUTTING EDGE SLUG CONTROL.

More bait points increasing the likelihood of slug encounter, combined with a lethal dose of AI, Nufarm SlugOut gives you the best chance of success. Proudly formulated and developed here, Nufarm SlugOut provides Australian growers with an effective tool to protect crops.

- **Metalddehyde where it matters.** Our unique Corbie technology means more bait points with an effective lethal dose.
- **All-weather tough.** Benefit from extended rain and mould resistance.
- **Efficient and economical.** Consistent coverage and enhanced spread.

CRITICAL INFORMATION

Product type	All weather slug and snail bait
Actives	18 g/kg Metaldehyde
Registered use	For the control of slugs and snails in gardens, fruit and vegetable crops, winter cereals, oilseeds (including poppies), pulses and pastures.
Broadacre rate per ha	10 kg (112 baits per m ²)
Pests controlled	Slugs and snails
Pack sizes	20, 150 and 500 kg

METALDEHYDE WHERE IT MATTERS

Nufarm SlugOut contains 18 g/kg [1.8%] of the active ingredient metaldehyde, which may appear lower than other baits. Nufarm SlugOut is unique in that the active is concentrated in the edible coat of the bait, giving a higher likelihood of slugs obtaining a lethal dose. Comparing baits by calculating the effective concentration of metaldehyde per kg shows why this matters.

Effective consumable concentration of methaldehyde

Product	Concentration (g/kg)	Effective Concentration (%)
SlugOut	90 g/kg	9%
Metakill	50 g/kg	5%
Metarex	50 g/kg	5%
Many Grain based baits	15 g/kg	1.5%

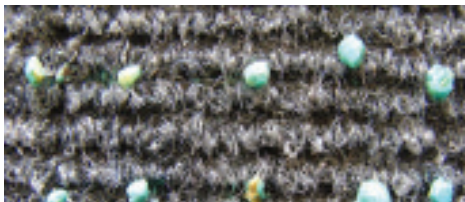

Comparing bait points per m²

Product name	A.I. g/kg	Label rate kg/ha	No. pellets/m ² at label rates
Snailex Slug & Snail Pellets	15	5–7.5	13–20
SlugOut® All Weather Slug & Snail Bait	18	10	88–112
Metarex Inov® Slug & Snail bait	40	4–5	24–30
Imtrade Metakill® Snail & Slug Bait	50	5–8	30–60
Imtrade Transcend® Molluscide & Insecticide	50	4–8	28–55

ALL-WEATHER TOUGH

Nufarm SlugOut has been built tough to withstand the rain. Trials have shown good rain and mould resistance.

SlugOut 128mm rain

Competitor 128mm rain

EFFICIENT AND ECONOMICAL

Nufarm SlugOut has excellent spreading characteristics and can offer up to 50% labour saving over other baits in GRDC testing.

SPREADER	SNAIL BAIT	SPREAD WIDTH (METRES)*	EST HA/HR
AMAZONE®	Sluggger	23	21
	Metarex	28	25
	SlugOut	39	35
Kuhn	Sluggger	7	6
	Metarex	27	24
	SlugOut	40	36

Ha/hr assumes 10 km/hr with 10% overlap. For best results, ensure correct calibration of machinery.
