ACTIVE CONSTITUENT:  
500 g/L FIPRONIL

**GROUP 2B INSECTICIDE**

For the control of redlegged earth mite in canola and false wireworm in sorghum and sunflowers, and to protect sorghum and sunflower seedlings from attack by black field earwig as per the DIRECTIONS FOR USE Table.

APVMA Approval No.: 70278/101505

## DIRECTIONS FOR USE

CROP	PESTS	STATE	RATE	CRITICAL COMMENTS
Canola	Redlegged earth mite ( <i>Halotydeus destructor</i> )	Qld, NSW, Vic, SA & WA only	400mL/100 kg seed	Ensure thorough coverage of seed. Add 400mL of LEGION to 600mL of water/100kg seed (total volume 1.0L/100 kg seed).  Seedling protection will be satisfactory under conditions of low pest pressure (ie. less than 1000 per m <sup>2</sup> ). Where greater pest numbers are anticipated or where there are more than 8 mites per plant, alternative or additional treatments will be required.
Sorghum Sunflowers	False wireworm ( <i>Pterohelaeus darlingensis</i> and <i>Gonocephalum macleayi</i> ) Protection from: Black field earwig ( <i>Nala lividipes</i> )	Qld, NSW, Vic WA & NT only	150mL/100 kg seed	Thoroughly coat seed using commercial seed coating equipment. Add 150mL of LEGION to 350mL of water/100kg seed (total volume 500mL/100 kg seed).

**NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED UNDER APPROPRIATE LEGISLATION.**

## WITHHOLDING PERIODS

Harvest

Canola, Sorghum, Sunflower: NOT REQUIRED WHEN USED AS DIRECTED.

Grazing

Canola: DO NOT GRAZE PLANTS GROWN FROM TREATED SEED OR CUT FOR STOCK FOOD WITHIN 9 WEEKS OF SOWING.  
Sorghum: DO NOT GRAZE PLANTS GROWN FROM TREATED SEED OR CUT FOR STOCK FOOD WITHIN 5 WEEKS OF SOWING.  
Sunflower: DO NOT GRAZE PLANTS GROWN FROM TREATED SEED OR CUT FOR STOCK FOOD WITHIN 3 WEEKS OF SOWING.

DO NOT FEED TREATED SEED TO ANIMALS.

## GENERAL INSTRUCTIONS

Where pests are in plague numbers, seed treatment alone may not provide adequate protection and additional methods such as grain baiting may need to be employed.

## MIXING AND APPLICATION

Shake container before use.

**CANOLA**

LEGION should be applied in a total volume of 1L water/100kg seed.

**SORGHUM AND SUNFLOWERS**

Mix LEGION with water to a total volume of up to 500mL/100kg seed and apply to seed in a manner which ensures thorough and even coverage.

**INSECTICIDE RESISTANCE WARNING**

GROUP	<b>2B</b>	INSECTICIDE
-------	-----------	-------------

For insecticide resistance management, LEGION Insecticidal Seed Treatment is a Group 2B insecticide. Some naturally occurring insect biotypes resistant to LEGION and other Group 2B insecticides may exist through normal genetic variability in any insect population. The resistant individuals can eventually dominate the insect population if LEGION or other Group 2B insecticides are used repeatedly. The effectiveness of LEGION on resistant individuals could be significantly reduced. Since occurrence of resistant individuals is difficult to detect prior to use, Nufarm Australia Limited accepts no liability for any losses that may result from the failure of LEGION to control resistant insects. LEGION may be subject to specific resistance management strategies. For further information contact your local supplier, Nufarm Australia Limited representative or local agricultural department agronomist.

**COMPATIBILITY**

LEGION is compatible with Semevin\*, quintozene, Apron\* and Peridiam\*.

**PRECAUTIONS**

Treated seed should be allowed to dry before re-handling.

DO NOT use treated seeds for human or animal consumption. DO NOT allow treated seed to contaminate grain/other seed intended for animal or human consumption. DO NOT feed treated seed, or otherwise expose, to wild or domestic birds.

**PROTECTION OF LIVESTOCK**

DO NOT feed treated seed to animals, including poultry.

**PROTECTION OF WILDLIFE, FISH, CRUSTACEANS AND ENVIRONMENT**

DO NOT contaminate streams, rivers or waterways with the chemical or used containers. Toxic to galliform birds and related species. Highly toxic to fish and very highly toxic to aquatic invertebrates. Any spillage of treated seed resulting during handling and loading operations must be cleaned up as soon as practicable, preferably by recovery and re-use. If disposal is required, ensure treated seeds are thoroughly buried and not accessible to livestock, birds and other wildlife.

**STORAGE AND DISPOSAL**

Store in the closed, original container in a cool, well-ventilated area. Do not store for prolonged periods in direct sunlight. Rinse containers before disposal. Add rinsings to the mixing tank. Do not dispose of undiluted chemicals on-site. Dispose of at an approved waste management facility. If an approved waste management facility is not available bury the empty packaging 500mm below the surface in a disposal pit specifically marked and set up for this purpose clear of waterways, desirable vegetation and tree roots, in compliance with relevant Local, State or Territory government regulations. Do not burn empty containers or product.

**SAFETY DIRECTIONS**

Poisonous if inhaled or swallowed. Avoid contact with skin. When opening the container, preparing product for use and using the prepared product, wear cotton overalls buttoned to the neck and wrist (or equivalent clothing) and elbow-length PVC gloves. Wash hands after use. After each day's use, wash gloves and contaminated clothing.

**FIRST AID**

If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 13 11 26.

**ADDITIONAL STATEMENTS (WHS REGULATIONS 2011)**

**Causes damage to organs through prolonged or repeated exposure.** Wash hands and exposed skin thoroughly after handling. Do not eat, drink or smoke when using this product. Wear protective eye and face protection. Use only outdoors or in a well-ventilated area. Do not breathe spray. IF SWALLOWED: Rinse mouth. IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing.

**SAFETY DATA SHEET**

For further information refer to the Safety Data Sheet (SDS) which can be obtained from your supplier or from the Nufarm website – [www.nufarm.com.au](http://www.nufarm.com.au)

**In case of emergency: Phone 1800 033 498** Ask for shift supervisor. Toll free 24 hours.

**CONDITIONS OF SALE**

"Any provisions or rights under the Competition and Consumer Act 2010 or relevant state legislation which cannot be excluded by those statutes or by law are not intended to be excluded by these conditions of sale. Subject to the foregoing, all warranties, conditions, rights and remedies, expressed or implied under common law, statute or otherwise, in relation to the sale, supply, use or application of this product, are excluded.

Nufarm Australia Limited and/or its affiliates ("Nufarm") shall not accept any liability whatsoever (including consequential loss), or howsoever arising (including negligence) for any damage, injury or death connected with the sale, supply, use or application of this product except for liability which cannot be excluded by statute."
