VGM Club, Nufarm team up for rebate program

Waterloo, Iowa – June 23, 2017 - VGM Club and Nufarm Americas, Inc. have teamed up to offer turf management products to superintendents nationwide.

"We're excited to team up with Nufarm to offer our members rebates on its proven plant protection products," said Mike Woltz, VGM Club's director of business development – agronomy. "As we continue to expand our solutions to help club superintendents save money and streamline operations, providing access to leading suppliers like Nufarm checks both boxes for our VGM Club members.

The new partnership enables VGM Club members to access exclusive rebates to seven Nufarm products.

Nufarm's plant protection products are formulated specifically for the professional turf and ornamental markets. Its diversified product portfolio includes herbicides, insecticides, fungicides, and plant growth regulators that can be used in a variety of markets.

"Nufarm looks forward to growing our relationship with VGM and its members." Said Cam Copley, Nufarm's golf national accounts manager. "As an industry leader bringing innovative products to the turf and ornamental industry, Nufarm's vast portfolio will offer excellent options for VGM members that will provide solutions to common pest problems."
