

We know that growing is about more than just crops and cultivation. It's about sunshine and rain, early mornings and hard work. It can be frustratingly unpredictable but also wonderfully uplifting. More than anything, it's about people. Nufarm is the dependable partner behind thousands of agricultural success stories. Every day, growers around the world turn to our products and our people to help with the challenges of fighting disease, weeds and pests, and to increase crop yields. You could be part of our team and grow a better tomorrow with Nufarm.

To strengthen our team in Linz, Upper Austria, we are currently searching for a

Commercial Controller (f/m)

What will you be doing?

this important function with international impact and visibility will be responsible for the management of all financial activities taking place within Nufarm Austria Branded Business. Main tasks will be:
